Kuuza mtandaoni TZ ni hatari

Selling online in Tanzania is risky — here's why:

Mteja anataka uone kwanza

Buyer wants you to ship before paying

Wewe unalipa usafirishaji, halafu mteja anatoweka.

Watu wa uongo (scammers)

Fake buyers / fake sellers

Mtu anajifanya mteja, halafu anaiba bidhaa au pesa.

Hakuna ulinzi wa malipo

No payment protection

Hakuna anayeshikilia pesa salama kati ya nyote wawili.

Hakuna njia ya kutatua mgogoro

No dispute resolution

Kama mambo yanakwenda mrama, hakuna mahali pa kupiga simu.

Mama Asha — Kitenge Kariakoo

From 3 buyers/month to 40+ — how Biz-Salama changed her business.

“

Hapo awali, wateja walikuwa wananiomba kuwatumia bidhaa kabla ya kulipa. Mara nyingi nilipotea pesa.

Tangu nilipoanza Biz-Salama, mteja analipa kwanza — pesa zinashikiliwa, nikituma na kuthibitishwa, nalipwa kwa M-Pesa mara moja. Sasa nauza Kanda za Pwani, Arusha, mpaka Mbeya.
